MEMORANDUM FOR: Director of Training

ATTENTION : Chief, Operations School

SUBJECT : Request for Support for TSS
Engineering Division Project

1. It is requested that assistance be given for a series of TSS Engineering Division balloon project tests [redacted] The tests will consist of small balloon flights controlled in each case by a line to the ground. No balloons will be released.

25X1

2. It is expected that the balloon tests will be of short duration and that they will not require more than two OTR personnel, and then on a non-interference basis. Necessary helium has been requisitioned by TSS/ED for delivery [redacted] to support these tests. It is desired that the tests take place between 22 - 31 July 1957.
